Pilot**

“

Qantas pilots have an outstanding safety record because of our safety culture. Did you know it only costs about \$15 per international ticket to Asia to keep Qantas pilots in the cockpit? A small price to pay for your families safety while protecting aussie jobs.

AUSTRALIA DESERVES BETTER

Keep Qantas Australian

QANTAS FAMILIES WANT TO SEE THIS COMPANY STAY GREAT:

- ✓ High levels of safety
- ✓ Supporting Australian families and communities
- ✓ Great customer service

QANTAS WANTS TO RELOCATE TO ASIA.

Qantas insists on
outsourcing and
offshoring jobs

[Customers] were also hostile to the outsourcing of Australian pilots and cabin crew,
with more than eight out of 10 opposed to the replacement of Australian crews with overseas ones."

The Australian - 05 September 2011

Qantas paid its senior management team a 62% pay rise and gave Alan Joyce a 71% pay rise in one year.

The top four executives at Qantas have been paid over \$52 Million dollars in 4 years. This is out of touch with Australian values.

Qantas has announced 1000 job losses despite a pre tax profit of \$522 Million

Under the control of Alan Joyce and Leigh Clifford Qantas has seen their share price drop to never before seen lows.
